Complainant said that during the meeting with Respondent Charlan James, she revealed that she has five (5) children. Complainant alleges that Respondent Charlan James' immediate response was to deny her the opportunity to rent, stating that she could not move five (5) children into the subject rental property because he did not want to over crowd the house. The Complainant believes the Respondents collectively discriminated against her by denying her an opportunity to rent because of her familial status in violation of the Act.

The Respondents deny having discriminated against Complainant, but agree to settle the claims in the underlying action by entering into this Conciliation Agreement.

WHEREAS, the Commission and the parties hereto wish to reach a just resolution of the aforementioned dispute, and reach a full, equitable, and final settlement of all matters arising out of the aforementioned complaint.
